On **Saturday, April 27** the 27th Annual **A Tennessee Waltz** was held at the Tennessee State Capitol.

The evening benefitted the Tennessee State Museum Foundation and was dedicated to the Honorable **Bill Lee**, 50th Governor of Tennessee.

"The Tennessee Waltz" was performed during dinner by **Dr. Ming Wang**, violinist, with accompanist Carlos Enrique on classical guitar.

This year, **The Tennessee State Museum Foundation** partnered with Nashville Opera to perform the song and present selections from "Popera!" Brent Hetherington and Darius Thomas performed the event's signature tune together before Hetherington performed "If Ever I Would Leave You" from Camelot and Thomas performed Bring Him Home from Les Miserables.
